Our Solutions

We make the impossible possible for you.
Trust us for all **your air, road and sea cargo services**

We have proved to be a key player in the industry taking pride in our strong commitment to excellence and customer satisfaction. With a strong focus on reliability and innovation, Cutting Lyne has established itself as a trusted partner for companies seeking comprehensive logistics solutions.

To ensure integrity in our service delivery, we offer customs consultancy which ensures that our clientele is well vexed with customs procedures and legislation which differ depending on type and nature of goods being imported/exported, mode of transport used, country of origin or destination amongst other factors. This ensures that there's no lag time involved in the movement of the goods or any seizures by Zimra as all import/export compliance will be adhered to.

Our Solutions

CUSTOMS CLEARING

This is a necessary procedure in the exporting and importing of goods and services. As Cutting Lyne we are there to process and handle your shipments efficiently and avoids costly delays. We find pleasure in offering a timely and standardized service to our clients in a convenient manner.

MULTIMODAL TRANSPORT SERVICES

As Zimbabwe is a landlocked country, we capitalize on the use of all modes of transports (rail, road, air and sea) to ensure cost effective to service delivery. We understand the sensitivity of some products in transportation. Some require special handling & temperature (pharmaceuticals), or require speed to market (perishables) or can be bulky or out of gauge (machinery). Hence our team will ensure that the appropriate mode of transport is used to avoid any losses or delays to our clients.

Customs Consultancy

As Cutting Lyne (Pvt) we provide guidance and advice to our clients on customs regulations and procedures' best practices to ensure seamless importation and exporting of their goods and services.
